The rich teak interior is warmed by a diesel furnace. Relax in new ultra-leather furniture in the salon or entertain on the sun deck and fly bridge. Two staterooms, two bathrooms and down galley with dinette.

Large main cabin and a spacious master stateroom with an island queen bed, vanity and large private head and shower. This trawler provides the interior and exterior livability of a much larger vessel - nearly 7 ft of headroom. Maintenance is easy with no exterior teak, while the interior features full teak joinery and paneling throughout.

A great mid-size yacht for extended area cruising and fun on the water with family and friends. If you are looking for that perfect live-aboard trawler-style yacht, this could be what you are looking for.
